..... What We Believe

We believe that well supported local businesses are the heartbeat of a sustainable community.

We believe in the triple win that sponsorship provides:

- Great local resources for families
- Affordable ways for small businesses to connect with clients and customers
- Equitable access for our youth to after-school enrichment programs and positive mentors

..... Benefits of Sponsorship

The Sunnyside Swap Shop Co-op wants to educate the community about **your** business, **your** history, and **your** story.

- Space on the Sunnyside Swap-shop Co-op web site to tell about your business (approximately 100 words)
- A link to your business's web site from the Sunnyside Swap-shop Co-op web site
- Quarterly e-mail blasts to all members about your company
- Full page flyer in both Sponsor binders available for viewing by all members at The Swap Shop and The Roost. Binder pages will also have an area for coupons or business cards.
- Flyers/coupons will be placed on a special *sponsors* table during the Useful Goods Exchange and Back-to-School Exchange which is open to all of Portland.
- Sponsor binders will be available for viewing at all Swap shop promotional events (Belmont Fair, Swap Shop Open Houses, Swap Shop Play Pass dates, etc.)
- Access to hundreds of families via word of mouth in the Hawthorne, Belmont, Tabor, Clinton, Ladds, Irvington, Laurlehurst, and Moreland Neighborhoods.
- Each time a new family joins the Sunnyside Swap Shop Co-op they will learn about your business through their welcoming membership e-mail packet. Many of our new members are new to Portland and join the Swap Shop to become better connected.

..... **How do I Become a Sponsor?**

..... **What is The Roost?**

The Roost is a supervised youth program being offered by Camp Fire USA Metro Council and the Sunnyside Swap Shop Co-op to middle school students in grades 6-8 beginning September, 2009. The Roost is an exciting opportunity for the youth and families in your local community to create an engaging, fun, hands-on program that will keep our Middle School students off the streets and safe after school.

Some of the youth in your community that need access to The Roost the most can not afford it without the support of their community.

Roost Mentorship Opportunities

Our Middle School students need mentorship and "expert teaching" from adults within the community. If you have a skill you can share, or time you can lend our Roost members would be truly grateful.

Please tell us how you might be able to mentor:

- Tour of my business
- Guest speaking at The Roost
- Other _____
- Share my skills _____
- Donate materials _____
